The Anchor and Forest Grove Churches  
July 3, 2022*

*Draw near to God  
for God is waiting for you.*

*Please take something from the “Creation Table” before you take your seat.*

**\*CALL TO WORSHIP** God Creates  
*In the beginning, the Spirit of God moved over the waters,  
and God said “Unbind creation and let her out!” and God declared it to be Good.*

*God said, “let there be light” and called the light “Day” and the darkness “Night.”  
God spoke the word to call the land from the water, pulling the Delaware River down to the depths and  
raising Buckingham Mountain above the waters, and in God’s eyes they were Good.*

*God’s word called to life the soybean and the milking cow, the robin and the earthworm,  
the honey bee and the white tailed deer, the brook trout and the box turtle, (SHOUT OUT YOUR  
FAVORITE ANIMAL) and God’s heart saw them to be Good.*

*Then God spoke a final time, making creatures who carry the divine image: us.  
Forming humans by holy word, male and female together, to tend and steward all that God had made.*

*And God saw that it was all Very Good.  
And God declared that it is all Very Good.*

*On the seventh day, God rested.  
And on this seventh day, we come to worship and remember our role as partners in creation.*

**\*SONG** All Creatures of Our God and King  
**1. All creatures of our God and King, lift up your voice with us and sing: Alleluia! Alleluia!  
O burning sun with golden beam and silver moon with softer gleam,  
O praise him! O praise him! Alleluia! Alleluia! Alleluia! Alleluia! (Repeat 2 more times)**

**SCRIPTURE LESSON** Psalm 104:10-30 *by the VBS kids*

**LITANY OF CONFESSION** God Cares for All Creation  
*(Please hold your creation item as you pray the following litany):  
Almighty and everlasting God, maker of all things, judge of all people: You created the universe, its  
unsearchable wonders, and this planet Earth, our island home. You have given the Earth’s care into our hands,  
that we might be wise stewards of its bounty. We give you humble thanks for the gift of Creation and confess  
our sin in failing to care for it. O Lord,  
help us to do better.*

*You created the heavens and the perfect blend of elements in the air we breathe to sustain all life on Earth. Yet  
we have taken this clear, exquisite air, fresh with the fragrance of green and growing things, and have polluted  
it heedlessly with the waste products of our lives. O Lord,  
help us to do better.*

*You created the Earth: its fertile soil and its minerals, to nourish all your countless forms of life, to give growth to plants and forests, to bring forth food to sustain your creatures. Yet we have abused the soil and the Earth through reckless extraction and greed. O Lord,*  
**help us to do better.**

*You created the waters: the sparkling springs, ponds, streams, lakes, rivers and the vast seas to supply the most essential of life's needs. Your waters not only sustain us, but also fill us with wonder, joy and awe. Yet in our lives of conspicuous consumption we have contaminated them shamelessly with waste and refuse. O Lord,*  
**help us to do better.**

*You created all the green things of Earth: mosses and ferns, flowers and shrubs, towering trees and woodlands, interlacing them in a wondrous web of existence. They nourish and heal us, and they astonish us with their beauty, diversity, and splendor. Yet we misuse and destroy them through the replacement of natural forests with the cultivation of a single crop, greedy logging, and depletion of the water and soil that sustain plant life. O Lord,*  
**help us to do better.**

*You made all the creatures of the Earth: from the smallest microorganisms to elephants and blue whales—and all the creatures in between! They also nourish, heal, and bring us delight and wonder. Yet these, too, we abuse and destroy for profit of exploitation or expropriation of their habitats or the thrill of the hunt. O Lord,*  
**help us to do better.**

*Almighty God, in giving us dominion over things on Earth, you made us fellow workers in your creation: Give us wisdom and reverence so to use the resources of creation that no one may suffer from our abuse of them, and that generations yet to come may continue to praise you for your bounty, through Jesus Christ our Lord.*  
**Amen.**

### **WORDS OF FORGIVENESS AND BLESSING**

*God declares the creation good. We are among God's creatures, and humbled that God calls on us to till and keep the earth. With hope and inspiration to answer that call, we place our trust in God to show us the way.*

**SCRIPTURE LESSON** Mark 4:26-32

**RECEIVING SPECIAL OFFERING** God's Kingdom is Like a Seed

### **PRAYER OF DEDICATION**

**Generous God, you have blessed us with the resources to share the good news of your love for all creation. We dedicate these gifts and pray that they may bring healing, wholeness, and hope to the world, that future generations may also know your graciousness and love. Amen.**

**PRAYERS OF INTERCESSION** We are Like Trees

**CHARGE TO THE CONGREGATION** God Will Make All Things New

**\*SONG** How Great Thou Art

**1. O Lord my God, when I in awesome wonder consider all the worlds your hand has made,  
I see the stars, I hear the rolling thunder, your power throughout the universe displayed:  
Then sings my soul, my Savior God to thee: How great thou art! How great thou art!  
Then sings my soul, my Savior God to thee: How great thou art! How great thou art! (Repeat)**
